MANCHESTER AND SALFORD HOSPITAL SATURDAY AND CONVALESCENT HOMES FUND INCORPORATED

A Brief History of the Fund

IN the year 1872 the Committee of the Hospital Sunday Fund, anxious to extend the field of work, decided to form a new collecting organisation called the Hospital Saturday Fund. For convenience, the two were united under the name of The Manchester and Salford Saturday and Sunday Fund.

The success of the new venture was immediate. The first Saturday collection made realised £1,499. Since the money came, for the most part, out of the pockets of the working men, it was fitting that the practice of Birmingham and Leeds should be followed and the working men of Manchester and Salford be represented on the Committee. In 1895, at the instigation of the Secretary, Mr. F. Scott, this healthy development was suggested.

Important meetings held in the Manchester Town Hall and the Salford Town Hall in 1896 led to the decision to form the Manchester and Salford Red Cross Society or Workmen's Auxiliary to the Hospital Saturday and Sunday Fund. The Committee was formed in 1897, under the Chairmanship of Mr. C. Oates. In the same year, Mr. A. Travis joined the Committee, Mr. Charles Swinglehurst giving his services twelve months later.

As a result of enquiries made in Birmingham and Leeds, the Committee decided to provide Convalescent Homes for weekly subscribers to the Hospital Saturday Fund. An appeal for this purpose was made in 1902, but resulted in promises of no more than £600. Another effort was made two years later, this time in the form of a mammoth bazaar. A Committee of influential ladies and gentlemen was appointed to work under the Chairmanship of Mr. W. Thompson, supported by Dr. and Mrs. Carne Ross, Mr. and Mrs. W. Lillie, Mr. G. C. Haworth and many others. Mr. J. Morris was secretary. The bazaar, which was held in the St. James' Hall, in November, 1905, was a great success £10,000 being raised.

After the bazaar, many meetings were held between the associated bodies and it was at length decided to reconstitute the Hospital Saturday Fund as an independent organisation to be managed by the working people, who would also maintain their own Convalescent Homes. This separate body was incorporated in 1907 under the title of the Manchester and Salford Hospital Saturday and Convalescent Homes Fund. Mr. A. Travis was appointed to the chair, with Mr. Chas Swinglehurst Vice-Chairman, Mr. G. C. Haworth, Treasurer, and Mr. F. Scott, Hon. Secretary.

THE CONVALESCENT HOMES.

The new Committee immediately advertised for suitable premises on the Lancashire coast, and the coast of North Wales, and decided to take a five-year lease at £150 per annum, with the option of purchase, on a house known as "Plas Mariandir," Penmaenmawr, North Wales. This, equipped as a Men's Home with 38 beds, was formally opened by the Lord Mayor of Manchester, on June 29th, 1907. About the same time, "Briar Field," Arnside, standing in 4½ acres of freehold ground, was purchased for £3,500 to become a Women's Home with 30 beds.

The opening of the Homes led to an increased interest in the Fund. The first balance sheet showed a revenue augmented by £1,440. The Committee, in order to emphasise that the chief object of the Fund was the support of Hospitals, increased its donations by £200, giving £4,200 in all. In 1910 the women's subscriptions were raised from a halfpenny a week to a penny, thus equalling those of the men. In the year 1912, Mr. Chas. Swinglehurst succeeded Mr. A. Travis in the office of Chairman, a position he still holds to-day after over forty-one years' service to the Fund.

The growth of the organisation has steadily continued. In 1919, a new Home for Men was built at Deganwy, North Wales, the accommodation being 56 beds. The Women's Home at Arnside was extended to provide 80 beds in 1925, and in the following year, the extensions to the Deganwy Home were completed with accommodation for 88 patients.

The accommodation at "Plas Mariandir" has now been increased to 120 Beds, and at "Briar Field" to 124 Beds.

THE NEW SWINGLEHURST HOME FOR MEN.

In 1936 the Committee acquired a very valuable site together with a large private residence adjoining the "Plas Mariandir" Home. Alterations and improvements have been made and the Home completely furnished was opened on the 30th May, 1937, by the Lady Mayoress of Manchester (Mrs. J. Toole). There is accommodation for 21 Men under ideal conditions and the new Home will compare favourably with the other Homes belonging to the Fund.

The Homes are up-to-date in every respect. Central heating is installed, electric lighting fitted throughout, and the latest and best sanitary appliances have been adopted. The scenery round about is exceptionally fine. Ample provision has been made for amusement and entertainment. There are bowling greens in the grounds, and such indoor recreations as billiards, table tennis, gramophone, piano and wireless. The patients are attended several times a week by a visiting doctor, while the matron and staff are always at hand. The best food is provided and everything is done to ensure that each patient derives the utmost benefit from his or her stay at the Homes.

CHILDREN'S HOME.

In 1930 the Committee purchased Hollin Hall, Bollington, near Macclesfield, and this was opened as a Convalescent Home for Children in September of that year by the Rt. Hon. The Lord Mayor of Manchester (Councillor R. Noton Barclay). There is accommodation for 12 boys and 12 girls between the ages of 7 and 14 years.

A gift of £2,500 from the Estate of the late Miss Emma Tomkinson of Wilmslow per the Executors (Mr. W. McCrea of Manchester and Mr. H. H. Bell of Liverpool) formed the nucleus of the Home.

NEW HOME FOR WOMEN AT ARNSIDE.

The erection of the new Home is progressing rapidly and will be ready for occupation during the present year. 50 additional patients will be accommodated, but the Home can be extended at some future date to accommodate 100.

During 1938 a new Recreation Room has been built adjoining Briarfield, and this has been very much appreciated by the patients.

INSTRUCTIONS

For Works and Wards Committees, &c.

AIMS AND OBJECTS.—This Committee has been established to systematise weekly contributions by the Workpeople of Manchester, Salford, and Districts, to the Hospitals, and to confer on contributors the free use of the Workpeople's Convalescent Homes for a fortnight when certified by a Doctor as requiring change of air and rest to re-establish their health after an illness or an accident, and to provide Free Hospital Treatment.

DISTRIBUTION OF FUNDS.—After paying office expenses, all moneys up to £20,000 are divided equally between the Hospitals and Convalescent Homes, over £20,000, 85 per cent. to Hospitals, 15 per cent. to Convalescent Homes.

COMMITTEE OF MANAGEMENT.—The Convalescent Homes are controlled by a Committee elected annually of representatives from Works in Manchester, Salford, and Districts, where Branches of the Fund are established and from Ward Organizations in the same area. A Delegate is not eligible for nomination to this Committee unless the Branch he or she represents consists of 20 members paying regular weekly contributions.

LOCAL COMMITTEES.—Local Committees have been established in various parts of Manchester, Salford, and Districts, to enable subscribers to continue their interest in the Fund in the locality in which they reside.

CONDITIONS OF MEMBERSHIP.—Immediately a person pays a contribution, he or she becomes a part proprietor of the Homes. Therefore, in making use of the Homes, it is necessary to emphasise clearly :—

- (a) That the Homes are the property of the Subscribers.
- (b) They are under no obligation to other people.
- (c) They are not OBJECTS OF CHARITY.

All "Wage Earners" are eligible for membership and there is no "Age Limit."

"Wage Earners" to mean "Anyone working on an average not less than three days per week."

The only persons who are not wage earners and eligible for membership are "The wife of a subscriber"—conditional upon being under 55 years of age and in good health at the time of joining and children of subscribers up to 14 years of age. The age limit for children which was 7-14 years, has been altered and children may now be enrolled from birth.

Subscription.—Adults, Two Pence per week per member minimum paid regularly.

Children, Two Pence per week irrespective of the number of children in one family.

i.e.—All children are covered for the one payment of 2d. extra.

There are two methods of paying subscriptions :—

- (1) Deduction of the contribution from wages by the Employers, when requested to do so by the work-people.

Special Books or Consent Forms are provided for the purpose of securing the signatures of those desiring to contribute through their wages in this manner.

- (2) By Collecting Books and Cards which are provided by the Fund if required.

The first method is the most successful, as it means less trouble in collecting, and assures continuous contribution.

QUALIFICATIONS FOR USE OF HOMES AND FREE HOSPITAL TREATMENT.—Contributors, in order to be eligible for use of the Homes and Free Hospital Treatment, must have paid :—

Adults, 13 Weekly payments of Two Pence.

Children, 13 Weekly payments of Two Pence.

Only children between the ages of 7 and 14 are eligible for Convalescent Home Treatment.

PAYMENT FOR ADMISSION.—Under no circumstances will any person *other than regular weekly subscribers*, be admitted to the Homes, or receive a Free Voucher for Hospital Treatment.

APPLICATION FOR ADMISSION TO THE HOMES.—Subscribers must procure Application Forms from the duly appointed Branch Delegate, who will explain method of procedure, etc. All applications must reach the Offices of the Fund by *Saturday of each week*.

Applicants will receive a Post Card stating when and where to see the Medical Examiner of the Fund.

REPEATED ADMISSIONS.—A person is not allowed more than one visit to the Convalescent Home in two years, except special permission has been granted by the Homes Committee, who requires (with the application form) a letter from the delegate, in which is clearly stated the reason for the application and request for the Committee's special consideration.

NEW BRANCHES.—Upon a decision having been reached by the workpeople in any workshop that a branch of this Fund shall be commenced, it is suggested for the satisfactory working that a representative from each department shall be selected, to form a works committee. This committee might appoint its treasurer, delegate, and collectors. From experience it has been found that where the work has been left to one person the interest is apt to flag, but where a committee has been appointed a greater amount of enthusiasm is displayed, and the results are financially much greater.

DELEGATE.—The Delegate can have, on application to the Secretary, a supply of Application Forms ; these forms in every case must be signed by the Delegate certifying that the member is entitled to the benefits of the Convalescent Homes. The Delegate is entitled to attend a meeting of Delegates each quarter, of which due notice will be sent, in order to receive the account of the Executive Committee's stewardship, so that in turn the information may be conveyed to the subscribers.

BANKING.—The Banks at which accounts may be opened and collections paid in are as follows :—

Union Bank of Manchester Limited, and Branches	
Martins Bank Limited	”
Lloyd's Bank Limited	”
Midland Bank Limited	”
Manchester and County Bank Limited	”
District Bank Limited	”
National Provincial Bank of England Ltd.	”
Westminster Bank Limited	”

The name of the Bank in which an account is opened should be sent to the General Secretary in every case for registration.

SURGICAL AID DEPARTMENT.—Weekly subscribers are enabled to purchase at a reduced cost, artificial limbs, trusses, surgical appliances, spectacles, hearing appliances for deafness, etc., etc. Intending purchasers should enquire from the Delegate for full particulars. In all cases the Delegate should communicate direct with the Secretary of the Fund, giving name and address of applicant, together with particulars of requirements. Arrangements must be made before making the purchase.

Dental treatment is provided at the Dental Hospital under certain conditions, but this does not apply to persons insured under the National Insurance Act when their Approved Society bears any portion of the cost. Under no circumstances will artificial dentures be supplied free of charge.

Only cases of emergency should be sent to the Hospitals without the necessary Free Voucher from the Secretary of the Fund. In all other cases application must be made for the necessary voucher. Failure to comply with these instructions causes unnecessary work to the Hospitals and the staff of the Fund, and will probably result in the patient having to pay for the treatment.

Motor accident cases under the Road Traffic Act are not covered by the Scheme, as in such cases the Hospital account is paid by the Insurance Company, and the Fund will not pay for treatment in a Nursing Home or Private Ward of a Hospital or for Maternity cases.

No payment will be made in respect of Doctor's Fees incurred privately.

The Secretary of the Fund should be informed of all cases being sent to Hospital when it is not possible to procure the necessary voucher, in order that the Hospital concerned may be supplied with the official voucher.

NOTE.—Should any matter arise which is not dealt with in these instructions, kindly communicate with the Secretary, Union Bank Buildings, 12a, Piccadilly, Manchester, who will be pleased at all times to render the fullest assistance.

The Thirty-second Annual Meeting of the Members and Supporters of the Fund

HELD IN THE

LARGE HALL, TOWN HALL, MANCHESTER,

ON THURSDAY, THE 20TH MARCH, 1939, AT 8-0 P.M.

THE LORD MAYOR OF MANCHESTER took the Chair at 8 p.m., and was supported by the Lady Mayoress ; The Mayor of Salford ; Mr. Jas. Sillavan, Hon. Treasurer, Mr. Chas. Swinglehurst, O.B.E., Chairman of the Fund ; Mr. Percy Chadwick, J.P., Vice-Chairman ; together with representatives of all the Voluntary Hospitals, members of the Committee, and supporters of the Fund.

The Minutes of the last Meeting were read and approved.

The Annual Report, as follows, was submitted :—

In presenting the thirty-second Annual Report, the Committee of the Hospital Saturday Fund are pleased to announce that the year 1938 has proved another record in the history of the Fund.

The comparative figures for the last six years are as follows :—

1933	1934	1935	1936	1937	1938
£65,181	£79,077	£93,842	£115,794	£139,822	£161,597

The increase in the total Income is £21,770. Weekly contributions have increased by £17,322. This large sum of money has been raised with Organising Expenses amounting to only 5·3 per cent.

HOSPITAL TREATMENT.—During 1938, 78,599 Free Hospital Treatment Vouchers have been issued to our members, an increase of 18,623 on the previous year. Reciprocal arrangements have now been made with Contributory Schemes and Hospitals in various parts of the country, including in our own area, Oldham, Eccles and Patricroft Workpeople's Contributory Scheme and Eccles and Patricroft Stamp Scheme. Members are now ensured of Free Treatment in most parts of the country, and in our own particular area they are entitled to Free Ambulance Conveyance and the services of the District Nurse within certain limits.

CONVALESCENT HOMES.—The new Convalescent Home at Arnside, which is being built to accommodate additional women patients is progressing very satisfactorily, and when completed about August this year should be one of the finest Homes in the country. The Convalescent Homes were established in 1907, and since that date to the end of 1937 there have been admitted—

	Men	Women	Children*
	30,717	29,272	1,878
Admitted 1938	2,252	2,414	415
	32,969	31,686	2,293
Total			66,948

* The Children's Home was opened in 1930.

These figures show a substantial increase in the number of patients treated in previous years, but with the rapid growth of the Fund this is to be anticipated.

WORK OF THE COMMITTEE.—The following is a list of Meetings held during the past year, and gives some idea of the enormous amount of work involved in the administration of the Fund :—

General Purposes.....	14
Homes Committee	36
Finance Committee	10
Building and Refurnishing Committee	17
Sundry Committees	27
	104

The Committee deeply regret the loss sustained by the death of Alderman Joseph Crooks Grime, J.P., Honorary Treasurer of the Fund. During the short time he had held this office he rendered valuable service. The Committee have been fortunate in securing Mr. Jas. Sillavan, Member of the Board of the Manchester Royal Infirmary and Honorary Secretary of the Royal Manchester Children's Hospital, as the new Honorary Treasurer.

The name of Mr. Chas. Swinglehurst, Chairman of the Fund, was included in the June Honours List, and he was appointed Officer of the British Empire. It is felt that all Delegates would like to be associated with the expression of congratulation extended to the Chairman on the honour which had been conferred upon him as a reward for the valuable services he has rendered to the Fund during the past 41 years. Mr. Swinglehurst has now completed 27 years as Chairman of the Fund, and has never missed an Annual Meeting or a Delegates' Meeting during the whole of this period.

The Committee wish to extend their grateful thanks to the following :—

The Principals of all firms who have arranged for the deduction of contributions through wages with the consent of the employees, and to the Principals who have granted permission for the employees to be approached with a wish to establishing the Saturday Fund.

To all Delegates who have acted as Collectors in workshops, etc., where the deduction through wages method has not been adopted.

To all those who subscribed to the Annual Appeal.

To all Ward Committees and Private Collectors for their valuable services, especially the Middleton Ward, who this year raised a record sum of £4,960.

To all Voluntary Workers for their loyal support, upon which the success of the Fund so much depends.

To the Doctors, Surgeons, Nursing and Administrative Staffs in the various Hospitals for their sympathetic care of our members.

To the Manchester Poster Services Ltd., for posting our Display Bills at a considerably reduced fee.

The Secretary and his staff for the efficient manner in which they have carried out their duties.

To the Matrons of our own Convalescent Homes and their Assistants for the care and attention of the patients entrusted to them.

Dr. E. M. Brockbank, M.D., F.R.C.P., our Honorary Physician.

Mr. T. Clifton Parkinson, our Honorary Solicitor, and to the Hospital Representatives on the Joint Committee.

In conclusion, the Committee wish to thank all those who have assisted the Fund in any way during the past year, and who may not have been mentioned in this Report.

The following Officers were elected for the ensuing year :—

Proposed by the Lord Mayor of Manchester.

Seconded by Mr. Chas. Swinglehurst, O.B.E. (Chairman of the Fund.)

Supported by Mr. James Sillavan (Honorary Treasurer of the Fund.)

“ That the Annual Report and Statement of Accounts for the year ended 31st December, 1938, be received and adopted, and that the Honorary Officers (whose names appear on the printed Agenda) be elected for the ensuing year.”

The Lord Mayor in moving the Resolution expressed great pleasure. He said the Balance Sheet and Report were very satisfactory. The results achieved were most creditable. In the last four years the Income had doubled. In 1907 the Income was £6,300 with a membership of 30,000, and in 1938 the membership was 500,000 and the Income £161,000. I can safely say that no other Organisation in this City can show such a record. Extraordinary economy has been exercised. The Organisation Expenses are only 5.3 per cent. This indicates a very large amount of voluntary work which is a credit to everyone. I would like to say just a few words about the Chairman, Mr. Chas. Swinglehurst. For the last 27 years he has been the Chairman, and has never missed an Annual Meeting. We congratulate him on this record. You will agree that when his name appeared in the June Honours List it did not appear before it was due. The success of this organisation is due to the large number of enthusiastic workers associated with it. I have great pleasure in moving the adoption of the Balance Sheet and Report for the past year.

Mr. Chas. Swinglehurst, O.B.E., Chairman of the Fund, in seconding said : " We have passed another milestone in 1938. The total collected since 1907 is £1,200,000. It is only with the assistance of the Delegates that this has been made possible. It is the voluntary worker in the workshop, warehouse and offices collecting each week who at the end of the year gets the reward in this great figure. This is the only opportunity I have of publicly thanking them all for the good work they have done. It is they who have raised the money, and I, as Chairman get the glory. Our share to the Hospitals this year is £116,438. This makes a total of distribution to the Hospitals of £800,000 since 1907. To that, we have to add that last year the Fund presented three Paul Bragg Pulsators to the Hospitals of Manchester and Salford and they are now in use. These were paid for out of the Building Fund and means an extra gift of £250. The Hospitals could not afford to buy these so it was up to us to see that they were equipped with the best and finest appliances. I want to thank the Joint Committee who are made up of Hospital Representatives and members of the Saturday Fund. They meet monthly exchanging views

and ideas. Our thanks are due to the Secretary and his staff. To-night I want to introduce a new Scheme. There has been a lot of controversy about certain people in our two cities, and others from outside districts who receive treatment at our Hospitals and who do not pay their share of the cost. We consider that the Hospitals ought to take a firm stand and insist that these people pay a fair share towards the cost of their maintenance. The Hospitals at the end of 1937 had a deficiency of £83,000. The Scheme will be brought up at the next Meeting of Delegates. I want to ask our Subscribers for three years to pay voluntarily an extra *one penny* per week and the employers to add 5 per cent. We could at the end of three years wipe out the £83,000 deficit. You might ask "Why do the Hospitals get into debt?" Every Hospital must keep up to date, also make provision for the extra Nursing Staff, and provide accommodation suitable to live in. I do hope this proposition will go forward.

I have much pleasure in seconding the Resolution.

Mr. Sullivan in supporting the Resolution : " I little thought a few years ago when I came here to collect a cheque for the Hospital I had the honour to represent, that I should one day be invited to become your Treasurer. Since attending your Meetings I have been filled with admiration at the wonderful work of your Fund and I will do the best to help. I would like to add a personal note to say how I appreciate the friendly way I have been received by the Chairman and the members of the Committee."

Proposed by Mr. Percy Chadwick, J.P. (Deputy Chairman).

Seconded by The Mayor of Salford.

" That inasmuch as the Convalescent Homes belonging to the Fund tend to relieve the Hospitals by obviating the necessity for many persons to enter these Institutions and at the same time to increase the amount of Contributions from the Hospital Saturday Fund, the Organisation deserves the hearty co-operation of both employers and employed."

Mr. Percy Chadwick, in moving the Resolution, said : “ This Resolution emphasises the fundamental basis on which this Fund has been built—Convalescent Homes. We cannot get away from the fact that but for the Convalescent Homes the Fund would not have reached the magnificent figure it has done this evening. Since their inception in 1907, when the two Homes were founded we have built a new Home at Deganwy and later rebuilt the Home at Arnside. The accommodation was not sufficient at Deganwy so we took the Swinglehust Home. At the present time the accommodation at Arnside is insufficient—we are in process of building a new Home to house 50 women. I think I have the Chairman’s permission to say that Lord Derby is willing to open the Home when ready this year. The number of people using the Homes emphasises the fact that this Resolution is quite true. Many patients go to the Homes without entering the Hospitals. With regard to the latter part of the Resolution we still ask for that co-operation in those places where no branch is established, and we would ask those employers to help. I have much pleasure in proposing the Resolution.

The Mayor of Salford, in seconding, said : “ I have been asked to second this Resolution, but before doing so I would like to say how proud I am to be here this evening to see such a large gathering. I know the good work you have done and I associated myself with the Lord Mayor and your Chairman in their remarks. You have an increase of £21,000 and I trust that this will continue. Everyone realises the great and noble work of the Hospitals of our cities and also the Convalescent Homes. I have pleasure in seconding the Resolution.”

The Lord Mayor asked the Lady Mayoress to present the Cheques to the representatives from the various Hospitals.

Mr. Skinner (Manchester Royal Infirmary) expressed the thanks on behalf of the Hospitals pointing out that he was here to deputise for Mr. Walter Cobbett, who was unable to attend through sickness. “ It is a great privilege for me as representative of all the Hospitals to express to you the debt of gratitude for the work which you have done for us. The progress of the Fund is really amazing. I thought when you had reached £130,000, the advance would be slow but you have advanced a further £21,000 this year, which is something to be very proud of.

I am pleased to hear of the proposals put forward by your Chairman this evening with regard to the Voluntary contribution of one penny per week for a period of three years.

Mr. F. Grundy (St. Mary's Hospital) seconded the proposition.

"This is the first time I have had the honour of speaking to the Delegates of the Hospital Saturday Fund. I wish to thank you from the bottom of my heart for the efforts you have made for the Hospitals."

Proposed by Alderman Rothwell, J.P.

Seconded by Mr. Wm. Carter, M.B.E. (Salford Royal Hospital).

"That the best thanks of the Meeting be given to the Chairman (Mr. Chas. Swinglehurst, O.B.E.), Deputy Chairman (Mr. Percy Chadwick, J.P.), the Members of the Executive Committee, the Secretary and his staff for their services during the year."

Alderman Rothwell, J.P., in moving the Resolution, said:

"We are very delighted to have the services of a man like Mr. Swinglehurst. His energy is untiring. I would also like to include the Delegates. We have the finest body of voluntary workers in the country. We have a Chairman who inspires the workers to put their best into their work before them. I wish long life to the Organisation."

Mr. Wm. Carter, M.B.E. (Salford Royal Hospital), in seconding, said: "I am amazed at the tremendous amount of money which has been raised by this Fund."

Proposed by Mr. T. Barnes.

Seconded by Mr. J. R. Holland.

"That Messrs. S. E. Cottam & Sons, Chartered Accountants be appointed Auditors for the Fund during the ensuing year."

Mr. T. Barnes, in moving the Resolution, said : " I know full well the amount of work which has been done by our Auditors during 1938. I sincerely hope that the Fund will keep on growing, and that at the end of 1939 we shall have reached £200,000. I have pleasure in moving the Resolution."

Mr. Holland, in seconding, said : " The Auditors have done their work well and given every satisfaction. I have pleasure in seconding the Resolution."

The Secretary reported the result of the Ballot for the Executive Committee.

Proposed by Mr. Midwood (Manchester Skin Hospital).

Seconded by Miss Ecroyd.

" That the best thanks of the Meeting be extended to the Lord Mayor for presiding and the Lady Mayoress for presenting the Cheques ; the Town Hall Committee for the use of the Large Hall ; the City Treasurer and his staff for so kindly counting the votes for the election of the Executive Committee."

Mr. Midwood, in moving the Resolution, said : " I know the duties of the Lord Mayor of Manchester are very heavy and we are pleased to have him and the Lady Mayoress with us this evening. During the year, I attend a good many Meetings, but there is no meeting which I enjoy better than the Meeting of the Joint Committee, which is held under the genial Chairmanship of Mr. Swinglehurst ; the atmosphere is most delightful. I am sure it is the same through the whole of the Saturday Fund movement."

Miss Ecroyd : " It gives me great pleasure to second the Resolution."

The Lord Mayor in replying said that this was a very good work, and hoped that the future would be more successful than the past year.

The Lord Mayor closed the Meeting with the singing of the " National Anthem."
